Shinwa Co., Ltd.

Regarding Certification under the “Aichi Biodiversity Company Certification System”

Shinwa Co., Ltd. (President and Representative Director: Yoshiro Takitani) has been certified by Aichi Prefecture as an “Aichi Biodiversity Certified Company” in recognition of its initiatives contributing to the conservation of biodiversity.

The “Aichi Biodiversity Company Certification System” is positioned as one of the key measures of the “Aichi Biodiversity Strategy 2030” formulated by Aichi Prefecture. It is a system that evaluates and certifies outstanding biodiversity conservation initiatives undertaken by companies, thereby promoting the creation of a sustainable society.

Our company, in collaboration with the Local Tougokusan Wetland Conservation Association and under the guidance of experts, has been engaged in activities to conserve rare wetland plants. In addition, we are working together with other companies to eradicate the invasive alien species *Coreopsis lanceolata*.

We will continue to actively engage in biodiversity conservation activities and strive toward the realization of a sustainable and prosperous society.
