Shinwa Co., Ltd. Achieves “B” Score in CDP Climate Change Report 2025

Shinwa Co., Ltd. (President & Representative Director: Yoshiro Takitani) is pleased to announce that we have received a “B” score in the CDP Climate Change Report 2025, published by CDP, an internationally recognized environmental non-profit organization.

CDP evaluates the efforts of companies and municipalities worldwide in addressing environmental challenges. A “B” score is classified as “Management Level” under CDP’s assessment criteria, indicating that the company recognizes climate-related risks and is implementing concrete measures to address them.

Shinwa has set a target to reduce greenhouse gas emissions by 42% by 2030 compared to 2020 levels and is actively working toward the realization of a decarbonized society. Moving forward, we will continue to strengthen our response to climate-related risks and contribute to building a sustainable society through solutions to environmental issues.
