
Announcement Regarding Partnership with Burr OAK Tool Inc. in the ASEAN Region

Shinwa has entered into a Distribution Agreement with Burr OAK Tool Inc. (Head Office: Sturgis, Michigan, U.S.A.) for the sales and technical support of OAK's equipment in Thailand/Indonesia/Vietnam/Malaysia effective January 2025.

Burr OAK Tool is the World's leading Manufacturer of Equipment used in the production of Heat Exchangers for Air Conditioners.

Shinwa represents Burr OAK in Japan, Brazil, and now in the ASEAN region.

With the growth of the Air Conditioning Industry worldwide, at a forecasted pace of 6.5% annually (CAGR), we expect that this new collaboration will significantly enhance our competitiveness and growth in the ASEAN region.

Mr. Brian McConnell, President of Burr OAK Tool Inc. and Mr. Yoshiro Takitani, CEO of Shinwa Co., Ltd.

At Burr OAK Tools Inc. facility in Michigan, U.S.A.
